Dual purification, dual protection
DOUBLE AIR DUCT, DOUBLE FILTER
Olansi ionizer air purifier K15

FRESH BREATH AND PEACE OF MIND

Dual purification · Double protection
Formaldehyde · Particle matter · Bacteria · Odor
Classic changes · Special photo · Cold · Wind · Timing · Sleep · Ionization · Anion · Ozone

The air quality in the bedroom is particularly important
WE SPENT 1/3 OF OUR TIME IN BEDROOM/SLEEP

CLASSICAL PURE WHITE BEAUTY
BEAUTIFUL LINES TEXTURE BODY

UNIQUE CHARM, INTERNAL FORCE, EXTRAORDINARY

CADR value reach 800m³/h
Purifying 30 minutes only need 8 minutes
Applicable area 55-80 ㎡

GREAT ACCOMPLISHMENTS, INTELLECTUAL LIFE

DOUBLE FILTER DESIGN, DOUBLE BOOST INTAKE DOUBLE OUTPUT CLEAN AIR

WIND FROM ABOVE: BIG CYCLE

Dual fan blower and air outlet, continuous generation of large, distant wind, blows in circle
Quickly stirs room air, allowing clean air to flow quickly to every corner

GOOD FITLER GOOD LIFE

[5-layer efficient filtration system]

THREE HIGHS AND ONE LOW LEADS THE NEW NATIONAL STANDARD

[Three highs and one low]

New GB set, is a truly effective air purifier high CADR + high CCM + low noise

QUIET AND SOFT

20 dbA

Automatically lower fan speed to reduce noise level,Suitable for quiet, healthy sleep

BREATHE NATURALLY

Release 20 million/cm high concentration negative ions,Promotion of disease, spread of bacteria
Negative ions can be purified, sterilized, deodorized, and sterilized for optimum treatment
to prevent diseases and spread bacteria.

ACCURATE DETECTION INTUITIVE DIGITAL DISPLAY

No.1 real-time display

Japan imported SHINYEI KAISHA particle sensor
Power on stable operation time ≤ 8 seconds,
response time ≤ 1 second, monitor particle size
down to 0.3 microns

DELICATE ON THE PALM, JUMPING ON THE FINGERTIPS

[Wisdom WiFi function, master the remote control]
Not at home yet, pollution free

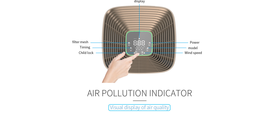
TRIPLE PROTECTION SAFE AND RELIABLE

TOUCH SCREEN DESIGN

[Clean up between your fingers]

AIR POLLUTION INDICATOR

[Visual display of air quality]



TOP GRILL OUTLET

Safe and intimate to prevent finger

CONVENIENT HANDLES ON BOTH SIDES

Easy to move, flexible and convenient

BOTTOM CASTER WHEEL DESIGN

[Not easy, flour or sand and dust, do not hurt the floor]

PRODUCT PARAMETERS

Product Name:Air Purifier	Model:K15B	Particulate matter CADR: 800m3/h	Working mode: Intelligent purification
Accumulated particulate matter purification level: P4	Negative ion concentration: ≥ 20 million/cm3	Particle purification efficiency: ≥ 99%	Particle purification energy efficiency: ≥ 20
Formaldehyde adjustment: Yes	Formaldehyde purification efficiency: ≥ 99%	Formaldehyde CADR: 140m3/h	Formaldehyde energy efficiency: ≥ 20
Anion: Yes	Ozone: Yes	Ozone concentration: ≤ 0.05mg/m3	Ozone energy efficiency: ≥ 20
Noise: Silent gear(Max: 20dB)	Product size (length, width, height): 400×400×1080mm	Packing size (length, width, height): 450×450×1150mm	
Anion concentration: 20 million/cm3	Net weight: 14.2kg	Applicable area: 50-90m2	Noise: Ordinary gear: 48dB (A)
