I agree I've read Addendum 1 for KCDA IFB #11-255 & will return with IFB. Yes

(Check the line next to Yes)

PART 5: FORM J – SUBCONTRACTOR /SELF PERFORMANCE

(MUST BE RETURNED WITH IFB)

Will you be self-performing 100% of the HVAC, Plumbing and Electrical work?

Yes _____ No X

If not, what percentage will be performed by sub-contractors?

HVAC TBD %

Plumbing TBD %

Electrical TBD %

List the sub-contractors you believe you'll be using during the term of this contract for the trades listed below. This is required for projects which are \$1,000,000 or more. List by state and county because, until the project is confirmed, it will be difficult to determine which sub-contractors will be utilized. This is to give KCDA customers the opportunity to see which sub-contractors you would utilize for projects which exceed \$1,000,000 or more, in case they should have objections/concerns prior to entering into a project. Submit in Excel format.

	HVAC	Plumbing	Electrical
Washington Counties	Pacific Mechanical (All WA counties)	O'Neill Plumbing (All WA Counties)	SHJ Electric (All WA Counties)
Oregon Counties	CH Kruse (All OR Counties)	D&D Mechanical (All OR counties)	Parkin Electric (All OR counties)
Idaho Counties	TVR, Inc. (All OR Counties)	Lewis Plumbing (All OR Counties)	A&B Electric (All OR Counties)
