Re: AEPA Contract 006.2 Portable and Modular Buildings

The existing agreement initially commencing upon award terminated February 28, 2007 with three (3)-1 year renewals expiring at the end of February each year. KCDA has taken advantage of all three (3) renewal periods; however, the Term of Contract and Extension in the AEPA Bid provides the agreement may be extended on an additional month-to-month basis until a new contract is awarded. This contract and the current existing terms, conditions and prices were extended from March 1, 2010 until March 30, 2010.

KCDA is requesting a second extension for the period of March 31, 2010 through April 30, 2010.

Upon an authorized signature of KCDA and Williams Scotsman, Inc., the agreement is hereby extended until April 30, 2010. This extension shall be subject to the same Terms and Conditions as contained in the original AEPA bid, and subject to the Bylaws, Policies and procedures of AEPA.
