**KING COUNTY DIRECTORS' ASSOCIATION  
AFFIRMATIVE ACTION CONTRACT COMPLIANCE STATEMENT**

Bidders who desire to provide the King County Directors' Association (K.C.D.A.) with equipment, supplies and/or professional services must comply with the following affirmative action contract requirements. During the performance of this contract, the bidder agrees as follows:

1. Bidder agrees to comply with all Local, State and Federal Laws prohibiting discrimination with regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.
2. The bidder will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, or mental or physical handicap. The bidder will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The bidder agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this non-discrimination clause.
3. The bidder will, in all solicitations or advertisements for employees placed by or on behalf of the bidder, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, sex, marital status, age or the presence of any, mental or physical handicap.
4. The bidder will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the bidder's affirmative action commitments, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. Any bidder who is in violation of these requirements, or an applicable Affirmative Action Program shall be barred forthwith from receiving awards of any purchase order from member districts or shall be subject to other legal action or contract cancellation unless satisfactory showing is made that discriminatory practices, or non-compliance with applicable affirmative action programs, have terminated, and that re-occurrence of such acts is unlikely. This includes compliance with Section 503 and 504 of the Vocational Rehabilitation Act of 1973 and Sections 2012 and 2014 of the Vietnam Era Veterans Readjustment Act of 1974.
