MATERIAL SAFETY DATA SHEET

Product name: Superior Sno N Ice Melter

Date prepared: January 2, 2002

Hazardous ingredients:

No substances defined as hazardous present.

Other ingredients:

Sodium chloride	CAS 7647-14-5
Calcium magnesium acetate (CMA)	CAS 76123-46-1
Sodium silicates	CAS 6834-92-0
Ethanol amines	CAS 102-71-6

Physical/ chemical characteristics:

Solubility in water: soluble
 Appearance and odor: pink crystalline solid

Reactivity data:

Hazardous polymerization: cannot occur
 Stability: stable
 Incompatibility: avoid contact with strong oxidizing agents.

Health hazard data:

Eye irritant. May irritate skin. May be harmful if swallowed, especially in large amounts.
 Ingestion of small amounts may be irritating because of presence of a small amount of alkaline salts.

First aid procedures:

Eyes: flush with water. If irritation or redness are severe or persist, consult physician.
 Skin: wash off with water.
 Ingestion: drink liquids to dilute and consult a physician.

Spill or leak procedures:

Small spills: may be flushed away with water or swept up.
 Large spills: sweep or scoop up for reuse or disposal.

Waste disposal methods:

Small spills: may be sewer d.
 Large spills: should be disposed of in landfill according to regulations.

Protective equipment to be used:

Eye protection: wear chemical safety goggles to prevent eye contact. Have eye baths immediately available where eye contact can occur.
 Skin protection: wear appropriate impervious gloves and protective clothing to prevent skin contact.
 Respiratory protection: use OSHA approved equipment with full face piece when airborne exposure limits are exceeded.
 Ventilation: provide ventilation to minimize exposure. Local exhaust ventilation preferred.

Special precautions or other comments:

Containers of this material may be hazardous when emptied since emptied containers retain product residues (vapor, liquid and/ or solid). All hazard precautions given in the data sheet must be observed.

Note: The information herein is believed to be efficacious and accurate; however, no warranty is made with respect thereto. Recipients are advised to confirm in advance of need that the information is current, applicable, and suitable to their circumstances. Prepared to comply with the OSHA hazard communication standard (29CFR 1910.1200)

SUPERIOR SNO-N-ICE MELTER

CP INDUSTRIES
503 North 400 West
Salt Lake City, Utah 84103
(801)521-0313

Prepared by:

Chemist

Date Prepared: 11/20/85

HAZARDOUS INGREDIENTS

No hazardous substances present in reportable amounts.

PHYSICAL/CHEMICAL CHARACTERISTICS

Solubility in water: About 25%
Appearance and odor: Red crystalline solid

REACTIVITY DATA

Hazardous Polymerization: Cannot occur
Stability: Stable
Incompatibility: Avoid contact with strong oxidizing agents.

HEALTH HAZARD DATA

Eye irritant. May irritate skin. May be harmful if swallowed, especially in large amounts. Ingestion of small amounts may be irritating because of presence of small amount of alkaline salts.

FIRST AID PROCEDURES

Eyes: Flush with water. If irritation or redness are severe or persist, consult physician.
Skin: Wash off with water.
Ingestion: Drink liquids to dilute and consult physician.

SPILL OR LEAK PROCEDURES

Small spills: Sweep up or may be flushed away with water.
Ingestion: Drink liquids to dilute and consult physician.

WASTE DISPOSAL METHODS

Small spills: May be sewerred.
Large spills: Should be disposed of in landfill according to regulations.

PROTECTIVE EQUIPMENT TO BE USED

Wear goggles or face shield with safety glasses.
Wear rubber or plastic gloves.

SPECIAL PRECAUTIONS OR OTHER COMMENTS: The information accumulated herein is believed to be accurate, but is not warranted to be regardless of whom it originates with. Recipients are advised to confirm in advance of need that the information is current, applicable, and suitable to their circumstances.
