

Our Purpose

KCDA was founded in 1938 by school districts to combine their collective purchasing power in order to lower their overall procurement costs. Today KCDA acts as an extension of our members purchasing department operating under the same laws and regulations that apply to school districts and public agencies. KCDA is authorized to provide these services based on compliance with the applicable titles and codes for the State of Washington.

Our Services

- Same day shipping on over 15,000 items from our member-owned warehouse.
- No fault product return policy within 20 business days of shipment (for warehouse items).
- Experienced customer service personnel and outside field support.
- Bids are advertised in Washington and Oregon as well as posted on the KCDA website.
- Billing for public works occurs only after member approval.
- Online catalog and ordering 24/7.

How We Save You Time and Money

- Low prices on items stocked and delivered from our Kent, WA warehouse facility.
- Warehouse items are bid on a line item basis, not just a catalog discount.
- Access to large volume contracts for our members across the Pacific Northwest and Alaska.
- Contracts are bid annually to obtain the most competitive pricing.
- Membership is FREE with no cost to join or other annual fees!

Public Agencies working with KCDA Include:

- School Districts.
- City Governments.
- County Governments.
- Port Districts.
- Public Safety organizations (Police, Sheriff, Search and Rescue, Fire Departments).
- Colleges, Universities, Technical and Vocational Schools.
- Education Service Districts.
- Public Libraries.
- Public Utilities (Power, Water, Sewer, Transit).
- Parks Departments.

Our Commitment

KCDA's commitment is to save our members time and money. We contract for products and services requested by our members through a sealed bid process which eliminates the need for you to engage in the time consuming practice of issuing bids on behalf of your school district or public agency. Since 1938 KCDA has been at the forefront of purchasing cooperatives helping our members address their general supply and capital project needs.
