

Bravo™ Power Foam

Heavy Duty Stripper for Spot Buildups

Bravo™ Power Foam is a heavy duty spray stripper for tough wax build-ups.

Features & Benefits

- Easy to use spray stripper great for stairwells, baseboards and small area stripping where machine scrubbing is not practical
- Foam clings where needed, including vertical surfaces
- Visible foam changes to a clear liquid when it is done working

Applications

- Designed for spot floor finish removal on VCT, terrazzo and concrete flooring
- Not intended for use on wood, linoleum, rubber, marble, painted surfaces or on surface colored and acid dyed concrete floors as this product may harm these surfaces
- Test for softening or color bleeding on asphalt floors before using

Bravo™ Power Foam

Heavy Duty Stripper for Spot Buildups

Use Instructions

- Blockade areas to be stripped. Floors will be very slippery until dry. Exercise caution.

DIRECTIONS:

- Shake well before using. Test on a small, hidden patch of the surface to be stripped to prevent possible damage. Do not use on painted surfaces, carpet or fabrics.
- Hold can 6-8 inches (15-20 centimeters) from surface. Spray even film of product on area to be stripped. Remove any overspray.
- Allow to work at least 3-5 minutes before wet scrubbing with an abrasive pad
- Rinse with clean water

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
