## 2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the “Uniform Guidance” or new “EDGAR”. All bidders submitting proposals must complete this EDGAR Certification form regarding the bidder’s willingness and ability to comply with certain requirements, which may be applicable to specific agency purchases using federal grant funds.

For each of the items below, the Bidder will certify its agreement and ability to comply, where applicable, by having the bidder’s authorized representative check, initial the applicable boxes, and sign the acknowledgement at the end of this form. If a bidder fails to complete any item of this form, AEPA will consider and may list the response, as the bidders is unable to comply. A “No” response to any of the items below may influence the ability of a purchasing agency to purchase from the bidder using federal funds.

Provisions regarding bidder default are included in AEPA’s terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the bidder and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA’s terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the bidder. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay bidder for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the bidder’s return policy. If the participating agency has paid the bidder for goods and services provided as the date of termination, bidder shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency’s purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is in the participating agency’s purchase order, ancillary agreement or construction contract agreed to by the bidder, the participating agency’s provision shall control.
