I. INTRODUCTION

A. KCDA MEMBERSHIP

KCDA is a purchasing cooperative owned by 294 public school districts in the state of Washington and is located in Kent, Washington. KCDA's membership is made up of, but not restricted to public school districts, private schools, municipalities, political subdivisions and other public agencies located in but not limited to Washington, Oregon, Idaho, Alaska, and Montana. Representing over 1 million students and over 5,000 ship to locations, KCDA purchases approximately \$100 million worth of products, equipment and services on behalf of the membership. Restrictions of merchandise being available to any locale of KCDA membership must be noted under separate cover.

All school districts and other public agencies in the state of Oregon who are or may become associate members of the KCDA Purchasing Cooperative may participate in the contract(s) awarded as a result of this bid. A complete list of all school districts and other public agencies that are members of the KCDA Purchasing Cooperative is available on our web site www.kcda.org.

B. INTERPRETATION OF BID DOCUMENTS

Any person contemplating submitting a bid for the proposed contract that is in doubt as to the true meaning of any part of the bid documents, or finds discrepancies in or omissions from the bid documents, shall submit to KCDA a written request for an interpretation or correction thereof. Such request shall be submitted and received not later than 10 days prior to the date specified for receipt of bid responses. Any interpretation or correction of the bid documents will be made in writing by addendum duly issued to all bidders. KCDA will not be responsible for any other explanation or interpretation of the bid documents.

C. EXCEPTIONS

All exceptions to the terms and provisions of this invitation for bids shall be made by attachment to the bid form. Do not add to, delete from, or amend in any manner the bid form. Exceptions need to be entered in the payment terms and/or response terms fields within Attachment B. Noted exceptions are subject to approval and acceptance by KCDA.

D. CONTRACT DEFAULT

Your bid is subject to all terms and conditions as herein established in this bid request form and include price, quality and delivery. Subsequent failure to provide items bid in accordance to the purchase order and bid delivery schedule will constitute contract default, and, after due written notification, allows the Purchasing Department to declare the contract void and to purchase the merchandise on the open market. Any additional costs to procure and distribute replacement product will be charged to the bidder.

E. BIDDER RESPONSIBILITY

All bidders shall thoroughly examine and be familiar with the bid documents including all exhibits and attachments. The failure or omission of a bidder to receive or examine any form, instruments, addendum, or other document shall in no way relieve any bidder from obligations with respect to your bid or to the contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section.

F. BIDDER FINANCIAL RESPONSIBILITY

KCDA has the right to request financial information from any bidder to evaluate the bidder's ability to meet the terms and conditions of any and all contracts that may be established by acceptance of the offer contained in the bid. Additional confirmation from the bidder's supplier(s) that the delivery terms of the contract will be met may be required. KCDA reserves the right to reject any or all bids and/or bidders unable to prove they are financially able to provide the quantity of merchandise they have offered in response to this bid invitation.

G. MINORITY AND WOMEN OWNED BUSINESSES

KCDA encourages all minority and women owned businesses to participate in the bid process. Washington State law does not allow KCDA to provide any financial advantage for minority and women owned businesses who participate, however, KCDA believes that a diverse range of suppliers benefits all.

II. GENERAL PROVISIONS

A. BID OPENING

All bids submitted for supplies and/or services will be opened in public at the time, date and place, and in the manner herein specified, and all bidders are invited to be present at the opening of such bids. A final recap will be available from KCDA after bid awards are made. Under no circumstances will a bid be considered if filed after the hour specified in the invitation for bids. For this bid to be considered for award, it must be submitted electronically prior to the date and time indicated within the Public Purchase application. The times listed on Public Purchase are PST.

KCDA will not accept bids that are sent via mail, fax or email.

B. MODIFICATIONS

Bids may be modified or withdrawn by written or telegraphic notice received prior to the exact hour and date specified for receipt of bids. Once notification has been received by KCDA, the respective bid entered through Public Purchase can be returned electronically to the bidder for modification and re-submission by the bidder as time allows. Returned and/or unsubmitted bids shall become the responsibility of the bidder. Bids that are not submitted or resubmitted via Public Purchase at the time of the opening shall not be considered for award.

C. QUALITY STANDARDS

Whenever an item in this invitation for bid is described using a manufacturer's name, brand or catalog number, it shall be construed solely for the purpose of indicating the standards of quality. Brands of equal quality shall be considered, except where otherwise stated, provided the bidder specifies the brand, model and number on which their bid is submitted and submits samples, specifications and other information necessary to properly evaluate the bid. Any bid containing a brand which is not of equal quality at the sole discretion of KCDA shall not be considered. KCDA will accept bids on new product only. Merchandise that has been refurbished or has been in storage for a long period of time, or is labeled with distributor or vendor identification is unacceptable.

D. REJECTION OF ANY OR ALL PROPOSALS

KCDA reserves the right to accept or reject any or all bids and to waive informalities or irregularities in any bid or in the bidding process.

E. BINDING CONTRACT

It is understood that the offer represented by a bidder and an award made by the KCDA Board of Directors to the successful bidder, forms a binding contract. KCDA, under certain circumstances, will allow the assignment of contracts; however, no assignment can occur to another entity without written agreement from KCDA.

F. ESTIMATED QUANTITIES

Quantities shown on the bid forms are estimated requirements of the members for which KCDA acts as purchasing department, based on orders from the previous year. The quantities listed on the bid forms represent the total quantity the cooperative anticipates purchasing over the life of the contract period. KCDA reserves the right to order more or less than the quantities stated on the bid form. Any minimum order requirements should be so indicated as part of the bid response and will be subject to bid evaluation. Quantities ordered are based on actual requirements and the successful bidder will fulfill that requirement regardless of the manufacturer's policies regarding order completion.

G. CONTRACT PERIOD

This bid will be awarded as an annual contract covering 365 days from the date of KCDA Board acceptance as noted under Special Provisions. If you are able to quote a contract price for only a limited period or a specific quantity, or quote separate pricing for subsequent orders beyond the initial requirement, such terms may be qualified by inclusion in the response document within Public Purchase. Such attachments or electronic information must be precise, i.e., "Prices firm for purchase orders received by the bidder within 60 days from the date of bid opening" is acceptable, however, "Prices firm for 60 days" is not acceptable. Be specific. Imprecise language will be rejected and omitted from any subsequent award.

H. ORDERING SCHEDULE

Based upon minimum order requirements set by the successful bidder, KCDA may submit orders against this bid once a contract has been established by the KCDA Board of Directors. A large portion of the quantities listed will be ordered for delivery in April through July, however KCDA reserves the right to place orders anytime, for any amount, during the contract period based upon any minimum quantities and time restrictions set forth by the successful bidder attached to their bid response. Quantities and delivery dates listed in this bid are presented as a guide to the bidder, but will not be binding or limiting to the KCDA Purchasing Department.

I. REQUESTED SAMPLES

It is the bidder's responsibility to provide samples as requested in order that your bid is considered. Submit the samples to King County Directors' Association, 18639 80th Ave. S., Kent, Washington, 98032. All requested samples must be labeled with the bid number and KCDA's item number, and be submitted no later than seven (7) working days after the bid opening. Samples must be submitted on all alternate items bid ten (10) working days prior to bid opening and also labeled with bid number and KCDA's item number (See Section III- C.).

Additional samples may be requested after bids are opened and must be submitted within 7 working days of request. DO NOT ENCLOSE YOUR BID WITH THE SAMPLES.

J. DISPOSAL OF SAMPLES

Bid samples not picked up within 30 days after the bid award date shall become the property of the King County Directors' Association and shall be disposed of by distribution to the member school districts or by donation as deemed appropriate by KCDA.

K. KCDA NON DISCRIMINATION STATEMENT

Bidders who desire to provide KCDA with equipment, supplies and/or professional services must comply with the following Non Discrimination requirements. During the performance of this contract, the Bidder agrees as follows:

Bidder will comply with all Local, State and Federal Laws prohibiting discrimination with regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.

The Bidder will not discriminate against any employees or applicant for employment because of race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.

The Bidder will, in all solicitations or advertisements for employees placed by or on behalf of the Bidder, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.

Any Bidder who is in violation of these requirements, or an applicable nondiscrimination program shall be barred forthwith from receiving bid awards or any purchase orders from KCDA.

L. INDEMNIFICATION

The Vendor agrees to defend, indemnify and hold harmless KCDA and the member agency, and their respective officers, officials, employees and volunteers from any and all claims, injuries, damages, losses or suits including attorney fees arising out of or resulting from the acts, errors or omissions in performance of this Agreement, except for injuries and damages caused by the sole negligence of KCDA or the member agency. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Vendor, KCDA or the member agency and their respective officers, officials, employees, and volunteers, the Vendor's liability, including the duty and cost to defend, hereunder shall be only to the extent of the Vendor's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Vendor's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purpose of this indemnification. Use of this contract certifies that the waiver of immunity specified by this provision was mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of the Agreement.

M. PATENT INDEMNIFICATION

By accepting this order, Bidder agrees to save and hold harmless KCDA, its successors, assigns, customers and the users of its products from any liability, loss, damage, judgments, or awards, including costs and expenses arising out of any actions, claims, or proceedings for infringement of (a) any United States Letters Patent purporting to cover the material to be delivered to Buyer under this order, or its normal intended use and (b) any trademarks appearing with the material on delivery to KCDA; and further, Bidder agrees to defend KCDA at Bidder's expense in all such actions, claims, or proceedings, provided that KCDA shall give Bidder prompt notice in writing of all such actions, claims, and proceedings, as well as notice of infringement and threats of suit for infringement.

N. SAFETY REQUIREMENTS

All items furnished under this bid, where applicable, must comply with all OSHA, WISHA, UL Approval, including but not

limited to chapter 296-46B of the Washington Administrative Code and any other safety requirements imposed by KCDA, State or Federal agency. Bidder further agrees to indemnify and hold KCDA harmless from all damages assessed against KCDA as a result of Bidder's failure to comply with the acts and the standards issued there under and for the failure of the items furnished under this order to so comply.

O. RISK OF LOSS

Regardless of F.O.B. point, Bidder agrees to bear all risk of loss, injury, or destruction of goods and materials ordered herein which occur prior to delivery, and such loss, injury, or destruction shall not release Bidder from any obligation hereunder.

P. REJECTION

All goods or materials purchased herein are subject to approval by KCDA. Any rejection of goods or materials resulting from non-conformity to the terms, conditions and specifications of this order, whether held by KCDA or returned will be at Bidder's risk and expense.

Q. SHIPMENT IDENTIFICATION

All invoices, packing lists, packages, shipping notices, instructions, correspondence and all other written documents affecting any KCDA order shall contain the applicable purchase order number. A packing list must be provided with every shipment being made to KCDA indicating all the products shipped and back ordered, also, every carton shipped pursuant to this order must be marked with the contents therein.

R. NO BID RESPONSE

If no offer is to be submitted at this time, do not return this bid. A letter should be forwarded to KCDA advising whether future bids of this type are desired. Failure of the recipient to notify KCDA of your intentions may result in removal of your name from the bidder's list.

S. BID AWARDS

All bids will be awarded by the KCDA Board of Directors to the lowest responsible bidder meeting specifications. KCDA reserves the right to award items in groups for ordering efficiencies, to meet minimum requirements if accepted, to make multiple awards, or to reject any and all bids or portions thereof and make no awards, if in its sole judgment the best interests of KCDA and its members will not be served.

T. TERMINATION

Termination for Convenience: KCDA may terminate this contract, in whole or in part, at any time and for any reason by giving thirty (30) calendar days written termination notice to Vendor. Termination charges shall not apply unless both parties subsequently agree upon them. Where termination charges are applicable, both parties agree to negotiate in good faith and to limit the extent of negotiations to valid documented expenses incurred by Vendor prior to date of termination. KCDA will not be responsible for stock that the Vendor has on hand that has not been requested via a purchase order. Should the parties not agree to a satisfactory settlement, the matter may be subjected to mediation and/or legal proceedings.

U. RECIPROCITY

KCDA may review responses from bidders outside the State of Washington to see if those bidders are from states that use restrictions against companies from the State of Washington when they respond to public bids. KCDA may use this information in making bid awards when multiple bidders appear to have submitted the same pricing, terms and conditions on a particular bid item or items.

V. FORCE MAJEURE

Except for payments of sums due, neither party shall be liable to the other, nor be deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure.

The term “force majeure” means an occurrence that is beyond the control or responsibility of the party affected and occurs without its fault or negligence, including, but not limited to the following: acts of God; acts of the public enemy; war; riots; strikes; industry-wide labor disputes; civil disorders; fire; flood; snow; earthquakes; tornadoes or violent winds; hail storms; lockouts; injunctions-intervention-acts, or failures or refusals to act by government authority; and other similar occurrences beyond the control or responsibility of the party declaring force majeure, which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring it notifies the other party of the existence of the force majeure, and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with the contract. The party receiving the notice of force majeure may contest the declaration of a force majeure. Force majeure shall not include late deliveries of equipment or materials caused by congestion at a manufacturer’s plant or elsewhere, an oversold condition of the market, inefficiencies, internal labor disputes, or similar occurrences. If either party is delayed at any time by force majeure, the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours.

III. PREPARATION OF BID

A. SUBMITTAL OF BID DOCUMENT

Bidder must submit the Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion form, included as Attachment A. Bids received without this form may be considered non-responsive.

B. F.O.B. SHIPMENTS

Prices must be quoted in the UNIT SPECIFIED, PACKAGING INCLUDED and except for cash discount percentages, quoted NET, F.O.B. THE DELIVERY POINT specified in this bid, including the unloading of the merchandise. KCDA redistributes products to its members. Any damaged incurred due to insufficient packaging will be the responsibility of the supplier.

No charges will be allowed for special handling, packing, wrapping, bags, containers, reels, etc.

C. PRODUCT IDENTIFICATION

Bidders must insert the catalog number, brand name, grade and any other information necessary to properly describe and identify the articles they propose to furnish within the proper columns or item notes area of the vendor response screen for electronic bids. All bids must show the catalog number, brand name or grade, brand and catalog number specified in the bid invitation and such interpretation shall be binding on the bidder. The bidder is not to alter the grade, brand, catalog number or description as given in the bid invitation. Such alternates should be proposed separately and noted as an "alternate item". Alternate items through the Public Purchase electronic response system can be identified by properly identifying alternate brand etc. within the item notes area of the vendor response screen.

D. QUANTITY PER UNIT OF MEASURE

If the quantity or volume per unit differs from that specified in the bid invitation for any particular item, it is mandatory to note such difference in the space provided on the Bid Response entitled “Item Notes for Agency” within Public Purchase by updating the item notes area of the vendor response screen. Any bid submitted not showing the quantity per unit of measure will be construed to mean the bidder will furnish the unit of measure specified in the bid invitation and such interpretation shall be binding on the bidder. If unit of measure differs from the KCDA requirement, it will be construed as an alternate item and shall be noted in the space provided on the Bid Response entitled “Item Notes for Agency.” Any merchandise subsequently received in other than KCDA units must be repackaged to correct units. Repackaging is the responsibility of the bidder who has entered into the contract. Payment will not be tendered until

the merchandise has been packaged to KCDA units. If necessary, KCDA reserves the right to repackage merchandise to KCDA units and charge the bidder for all fair and reasonable associated costs. KCDA requires that upon award, the successful bidder establish a factory pack unit and ship in that unit for the duration of the contract.

E. ALTERNATE PROPOSAL

An alternate proposal is where the bidder is offering a program different than outlined in the bid request. This offered program may be, for example, free delivery to schools within a certain radius, extra merchandise for certain ordering levels, etc.

For alternate proposals to be considered, they must be submitted to KCDA 15 working days prior to the bid opening. Each proposal will be offered to all bidders on a bid addendum and must be submitted with your appropriate bid. Alternate proposals may be accepted if they meet the conditions above and they are deemed to be in the best interest of KCDA and their member districts.

Do not confuse "Alternate Proposal" with a bid on an alternate item (See Section III-C). Alternate items are to be submitted by notation within the item notes area of the vendor response screen.

F. ERRORS/CORRECTIONS

Corrections must be provided within the response terms of the vendor response screen on electronic bids.

G. INVOICING

It is understood that invoices issued by the manufacturer/dealer/distributor will reflect the shipping date of materials. It is also understood that actual delivery and install at the end user location may be delayed from the date of shipment. Subsequently, payment will be made after satisfactory delivery and acceptance by the Purchasing Department of any quantity of merchandise shipped against the purchase order. Invoices enclosed with merchandise will not be accepted. Invoices shall contain the following information: KCDA purchase order number, item number, quantity ordered, quantity shipped, unit price, extended price, terms and sales tax. Payments will be made on original invoicing only.

H. CASH DISCOUNTS/INVOICE PAYMENTS

Cash discounts are encouraged and cash discount percent and terms may be entered in the payment terms section of the vendor response screen for electronic responses. KCDA will subtract cash discount percentages when comparing bids in all cases where it is deemed probable that KCDA will be able to take advantage of the offered discounts. KCDA will accept terms for as few as 15 days. If the terms portion of the bid is left blank then terms will be assumed to be Net-30 days. Please do not enter terms as 100% as this means the merchandise bid is free.

KCDA is required, by law, to process invoice payments through the King County Treasurer. Payment warrants can be issued weekly. The first day for start of terms shall begin with receipt of merchandise at KCDA or receipt of invoice, whichever is later. Invoices with discounts between 15 and 30 days will be paid within terms and net 30-day invoices will be paid on the first pay date after 30 days.

I. WASHINGTON STATE SALES TAX

Washington State sales taxes are not to be included in any items on this bid but will be added at the time of invoicing. The only taxes KCDA will pay upon invoice are the Washington State Sales tax.

IV. PRODUCT ACCEPTANCE

A. GENERAL POLICY

The Purchasing Department shall have the right to reject any and all articles that are not in strict conformity with requirements and specifications of the bid and the samples submitted by the bidder. The bidder must replace all

rejected articles promptly with articles of quality equal to the specifications or samples submitted and remove rejected articles at his own expense. Total estimated value of this contract is approximately \$600,000 to \$800,000 annually. KCDA does not guarantee any minimum or maximum number of member orders.

Bid #20-342 is expected to be awarded by the KCDA Board of Directors April 16, 2020, with a one-year term expiring April 30, 2021. See Section II, General Provisions, Paragraph "G".

AWARD

- This bid will only be accepted electronically through KCDA's outside bidding agent, publicpurchase.com. Questions regarding registering for electronic bidding can be addressed directly to [Public Purchase at support@publicpurchase.com](mailto:PublicPurchase@support@publicpurchase.com)
- Attachment A: In order to be considered responsive, Attachment A "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion" must be signed and electronically submitted.
- Attachment B: In order to be considered responsive, Attachment B "Terms by Manufacturer" must be signed and electronically submitted. (Please indicate standard lead times from bidder to destination.)
- Attachment C: In order to be considered responsive, Attachment C "Special Provisions" must be signed and electronically submitted.
- NOTE: When downloading the BID document for pricing from Public Purchase website, only edit the pricing field in worksheet. Do not change, add or delete any excel fields(s) such as Quantity etc. In the BID document. Fields found to be manipulated, will result in disqualification of bid item award. Pricing that is not uploaded to Public Purchase site, will not be awarded to bidder.

- Whenever an item in this bid is described by using a manufacturer's name, brand or catalog number, it shall be construed solely for the purpose of indicating the standards of quality. Brands of equal quality or alternates shall be considered only when literature or documentation from the manufacturer is provided with the bid. Any bid containing a brand that is not of equal quality, at the sole discretion of KCDA, shall not be considered. When specific brands are requested, the product/manufacturers name or number will be indicated as No Substitute. Product identified as "No Substitute" has undergone evaluation by a KCDA Purchasing Specialist and determined that the No Substitute item is of higher quality and better suited to the membership needs.
- For items that state "no substitute" or "no subs", KCDA will not accept any item labeled other than the original manufacturer's label. Under certain circumstances, the bidder can submit a letter from the manufacturer stating they (the manufacturer) are labeling the product specifically for the bidder and the product is guaranteed to be the same as the item specified in the bid. This letter must be submitted with the bid and it will be at KCDA's discretion to accept or deny the bid response. KCDA reserves the right to refuse any items that are not labeled according to the specifications in the bid.

No product will be accepted that has any other label attached other than manufacturer identification. Product will be refused if distributors or vendors attach labels with their business contact information.

- Bidder **MUST** enter manufacturer and manufacturer part number in their response on Public Purchase in **BOTH the Alternate Brand and REFERENCE# Fields**. DO NOT enter "as specified". Bidder is to confirm the product they are providing in their bid by entering this information, even if the item is a No Sub item.
- If the quantity or volume per unit (UOM) differs from that specified on the bid invitation, it is mandatory to note such difference in the space provided as vendor notes for each differing line item. Any bid submitted not showing the quantity or volume per unit (UOM) difference will be construed to mean the bidder will furnish the unit of measure specified in the bid invitation and such interpretation shall be binding on the bidder. If quantity or volume per unit (UOM) differs from the KCDA requirement, it will be construed as an alternate item. Any merchandise subsequently received in other than KCDA specified units of measure, must be repackaged to correct KCDA specified units of measure. Repackaging is the responsibility of the bidder who has entered into the contract.
- If the bidder has factory pack or case quantity purchasing requirements, the bidder must also note those requirements in the space provided as vendor notes for each specific line item. Any bid submitted not showing factory pack or case quantity requirements will be construed to mean KCDA can purchase that item in any quantity amount. Loose shipment of materials shall not be allowed.
- Award(s) will be on a line item basis or on a group basis whichever is in the best interest of the members served by KCDA to economize ordering efficiencies.
- Addendums, if required, will be issued by KCDA through Public Purchase. Addendums will also be posted on the KCDA website (www.kcda.org) under Bid Information. Addendums will not be mailed or e-mailed. It is bidder's responsibility to check for issuance of any Addendums prior to submitting a bid. **All Addendums must be signed and submitted on Public Purchase or the bid will be considered non-responsive.**

PRICING

- Per the State of Washington's competitive bid requirements, RCW 28A.335.190, KCDA requires that the bidder verify all pricing terms with their Manufacturers prior to submitting bid on the contract. Any terms such as Tariffs, Freight etc., should be built into the bidder's pricing.
- KCDA will accept prices two positions to the right of the decimal point only (i.e. \$2500.00 or \$1.50 are acceptable). \$2500.0049 and \$1.5050 are not acceptable. Digits in excess of two positions to the right of the decimal point will be disregarded, thereby removing the values shown in the third and fourth position to the right of the decimal point. If an award is issued to such bidder, invoices will be treated in the same manner. By submitting a bid, the bidder acknowledges and accepts these conditions.
- KCDA receives many requests for standard items from manufacturer's catalogs. It is therefore requested that bidders quote a discount from the manufacturer's current list prices using the discount section of Attachment B. KCDA will apply the quoted discount when providing pricing to Members for non-bid items. A catalog award will be issued only when line items are awarded to a vendor. A current price list must be provided or price list identifier referenced in the bid response, and be accessible within 5 days of such request by KCDA in order to qualify for such award. Price Lists submitted for discount catalog consideration will be firm for the term of the contract. If an awarded contract includes the discount from manufacturer price list, such pricing shall only to be provided to KCDA – NO DIRECT QUOTES TO KCDA MEMBERS ARE ALLOWED AS PART OF THIS CONTRACT.

DELIVERY

- F.O.B Shipment Prices must be quoted in the UNIT SPECIFIED to include packaging and unloading of merchandise, and (except for cash discount percentages) quoted NET F.O.B DELIVERY POINT. All merchandise shipped to KCDA must be in packaging that can be reshipped to our members, via common carrier. Any damage incurred due to insufficient packaging will be the responsibility of the supplier. No charges will be allowed for special handling, packing, wrapping, bags, containers, reels, etc.
- Attachment B will establish a standard product delivery lead-time; the actual delivery date must be no more than 30 calendar days. When an order is placed, the awarded vendor shall establish a firm delivery date. Any orders not received after the 30 calendar days delivery window may be subject to cancellation. Consistent awarded vendor back orders and shipment discrepancies may lead to re-award of contract.
- All orders require a 24 hour notice prior to delivery; Call 1-800-422-5019 x 144. (*Whiteboards require 10 am delivery) All product is to be individually wrapped per unit; no bulk product will be received and will be refused.

PUBLIC WORKS LANGUAGE

Vendor agrees that, in performance of the services required under this agreement, Vendor shall abide by all federal, state, local and Washington law and regulations that may apply to construction and public works. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them.

Music Installation that requires affixing to the permanent structure of the facility must follow Public Works & Prevailing Wage Requirements in this situation.

- **Public Works:**

State of Washington statute requires workers be paid prevailing wages when employed on public works projects and on public building service maintenance contracts. (RCW 39.04.010, RCW 39.12.010 and 020) It is the contractor's responsibility to be acquainted with and comply with State regulations regarding payment of prevailing wages on public works projects. Prevailing Wages are established by the Washington State Department of Labor and Industries and can be obtained on the web at <http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp> or by contacting Labor and Industries at 360-902-5335. A copy may also be requested from KCDA. KCDA serves all counties in Washington State. The County in which the project is located will be identified once a member initiates a request for the service, and the effective wage rate to be applied to a specific project is to be based on the date of this bid during the original contract term, and if contract extensions are granted, the prevailing wage rate in affect at the time of the latest extension.

Application: The Public Works Act regulates wages paid to workers, laborers and mechanics performing public work. It does not apply to work that is clerical, executive administrative or professional in nature. It does not apply to work of a secretary, engineer or administrator, unless they are performing construction work, alteration work, repair work, etc. Prevailing wage application depends on the work that is performed, regardless of the worker's job title. (RCW 39.12.020 and WAC 296-128-510 through 530)

Definition:

Public Works is all work, construction, alteration, repair or improvement that is executed at the cost of the state or any other local public agency. This includes, but is not limited to, demolition, remodeling, renovation, road construction, building construction, ferry construction and utilities construction. (RCW 39.04.010)

Public Building Service Maintenance Contracts: Prevailing wages are also required on all public building service maintenance (janitorial) contracts. (RCW 39.12.020)

Contractors bidding a Public works project exceeding \$1,000,000.00 must declare who their HVAC, Plumbing and Electrical subcontractors will be and submit this information with bid documents in order for the bid to be responsive (RCW 39.30.060). Such projects also have special considerations pertaining to use of apprentices (39.04.320).

Reciprocity: In accordance with RCW 39.04.380 any bidding process for public works in which a bid is received from a nonresident contractor from a state that provides a percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. This does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280 or other procurement exempt from competitive bidding.

- **Prevailing Wage:**

Definition: Prevailing Wage is the hourly wage, usual benefits and overtime, paid in the largest city in each county, to the majority of workers, laborers and mechanics. The rate is established by the Department of Labor and Industries for each trade and occupation employed in the performance of public work. If Federal funds are used, bidders must comply with provisions of Davis-Bacon Act.

Basic procedures: A Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid must be filed and approved for the contractor and all subcontractors. No payments can be made until all contractors/subs have submitted an approved intent form. KCDA cannot release retainage until all Contractors have an approved Affidavit of Wages Paid form certified by the Industrial Statistician. (RCW 39.12.030, 040, 042) Once the work is successfully completed, KCDA will release 95% of the project cost and withhold 5% retainage for 45 days as dictated by law. The final 5% will be paid when the following is completed: Receipt of approved Affidavit of Wages Paid Forms, Releases from Washington State Department of Labor & Industries, Employment Security Department and the Department of Revenue, and acceptance of project completion to the satisfaction of the KCDA ordering member. **The cost of filing required Intents and Affidavits is the responsibility of the Contractor, and may not be added as a line item charged to the member agency. All Intents and Affidavits must name the agency for whom work is being performed as the contract award agency, not KCDA.**

Federally Funded Projects: In addition to the Federal Requirements of Section III General Terms and Conditions, Davis-Bacon prevailing wage requirements apply to public works construction contracts of \$2000 or more when a project includes any federal funding of any amount. When there is a difference between applicable state and federal prevailing wages for a particular classification of labor, contractors and subcontractors are required to pay the higher of the two prevailing wages. Applicable federal prevailing wage determinations can be found at <http://www.wdol.gov/>. Contractors/Subcontractors must be knowledgeable and adhere to all federal prevailing wage requirements, including but not limited to paying workers weekly and providing certified weekly payrolls for the contractor and subcontractors of any tier as required in the Davis-Bacon Act and applicable U.S. Department of Labor regulations. Falsification of any prevailing wage payroll records may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code. Contractor shall inform all subcontractors of the Davis-Bacon requirements and the prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses. Contractor must coordinate all requirements related to federal funded projects with the KCDA member Agency.

Before submitting a bid, Bidders must hold a current, valid contractor's license as required in Washington. The contractor's license must be in the name of the legal entity submitting and signing the bid. A Bidder may not substitute a contractor's license held by a subcontractor or joint venture. Such policies must be further endorsed to provide that the insurance is primary as respects KCDA and the KCDA member, and that any other insurance maintained by KCDA and the KCDA member shall be excess and not contributing insurance with the Contractor's insurance. - **Acceptable Pricing Method:**

KCDA is unable to accept Alternative Costing Method quotations except in certain limited instances, (i.e. sole source) in which KCDA and Vendor may mutually determine the Alternative Costing Method is acceptable. This will be the exception rather than the rule. RS Means or line item bid pricing is acceptable.

In accordance with RCW 51.12.050, KCDA reserves the right to deduct from the payment any outstanding industrial insurance premiums owed by the Contractor or Subcontractors.

- **Payment Retainage:**

In accordance with RCW 60.28 contract retainage [*not to exceed five percent of the moneys earned by the contractor toward completion of a public improvement contract*] shall be withheld and reserved in one of two ways:

- a. As a trust fund for the protection and payment of 1) the claims of any person arising under the contract, and 2) the state with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from such contractor. - b. Option of providing retainage bond for the full amount of the retainage (5% of the contract amount with a performance bond). This bond is separate from the performance bond under RCW 39.08.10. Providing a retainage bond means no retainage is withheld. If you choose to provide a retainage bond a copy of the bond must be submitted.

- **FORCE MAJEURE**

Except for payments of sums due, neither party shall be liable to the other, nor be deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control or responsibility of the party affected and occurs without its fault or negligence, including, but not limited

to the following: acts of God; acts of the public enemy; war; riots; strikes; industry-wide labor disputes; civil disorders; fire; flood; snow; earthquakes; tornadoes or violent winds; hail storms; lockouts; injunctions-intervention-acts, or failures or refusals to act by government authority; and other similar occurrences beyond the control or responsibility of the party declaring force majeure, which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring it notifies the other party of the existence of the force majeure, and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with the contract. The party receiving the notice of force majeure may contest the declaration of a force majeure. Force majeure shall not include late deliveries of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, internal labor disputes, or similar occurrences. If either party is delayed at any time by force majeure, the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours.
