

KCDA No. 99564

iPoint Curve Axis Multi-Size Pencil Sharpener

The iPoint curve axis pencil sharpener is designed for heavy-duty use in the office or school. Use the dial to select the pencil size for the single hole. Super-fast sharpening uses 10-blade helical technology. Auto shutoff activates when the pencil is at the perfect point. Safety cutoff activates if the shavings reservoir is removed. Electric pencil sharpener also features a large, EZ-view shavings reservoir. Acme, No Substitute.

Not for use with color pencils.

Warranty Information

Mfg. No. 15511

7 YEAR WARRANTY: Should you have any problems with your iPoint® sharpener within the period of the warranty we will replace it free of charge. The cutter parts are under warranty for a period of 12 months, all other parts 90 days from date of purchase.

To arrange your replacement, while under warranty, please send to Customer Service Dept., Acme United Corporation, 60 Round Hill Road, Fairfield, CT 06824. Send dated proof of purchase and an explanation of the defect. Damage due to abuse, misuse, normal wear, industrial use or neglect will not be covered. You may have other rights that vary from state to state.
