# 2023 VENDOR EXPO

Thursday September 21, 2023

## The KCDA Vendor Expo Returns This Fall!

After a 4-year hiatus, we are excited to announce the KCDA Vendor Expo is returning this September! This annual event connects you and your team with 60 of our awarded contract vendors from a variety of categories in a trade-show setting. Take advantage of this great opportunity to meet new vendors or re-connect with ones you've missed since our last expo in 2019. As you plan your budgets and projects this fall, spend a few hours with us at our Kent facility and learn how KCDA awarded contracts can save you time and money on your upcoming projects.

### Attendance is FREE.

Please RSVP to enjoy refreshments, complimentary lunch, other goodies, and so we can prepare a name badge for you and your team. See below for exhibitor list.
