*Director's Corner*

## ***Warehouse Supply Chain Disruptions ... The New Normal***

Our warehouse has been experiencing significant supply chain disruptions, and this appears to be the new normal. Many of our warehouse vendors are being forced to pass on price increases or limit the size of orders. Commodities like copy paper are being restricted due to the limited availability of raw materials, labor, and manufacturing capacity. While KCDA has a solid commitment from our principal copy paper sources with stable pricing and guaranteed volume, many of our other sources (i.e. for special sizes and colors) are allocating what they can sell us. Other areas being impacted is in transportation, mostly due to container and truck driver shortages. In addition, labor shortages at the ports are slowing the ocean freight deliveries. Container ships are being forced to anchor for weeks in Elliott Bay and in areas not typically frequented by large container vessels (e.g. Holmes Harbor off Whidbey Island and Port Susan off Camano Island) awaiting an opportunity to off-load.

What are causing these disruptions? One big reason is the worldwide pandemic. Many companies were forced to shut down operations last year during the height of the pandemic, causing massive raw material shortages and the transition of labor to other sectors of the economy. Another reason is the reallocation of manufacturing capacity to other more profitable uses. For example, many paper mills could no longer justify lower margin copy paper production and so they reallocated capacity to higher margin special use packaging for on-line (i.e. Amazon type) business. In the copy paper market, this structural change has caused inventories to be at all-time lows and mills to operate at near 100% capacity.

For more than 80 years, KCDA has been a leader in providing centralized procurement services to our member school districts. KCDA helps districts focus their resources in the classrooms by creating volume purchasing and fulfilling bid law requirements. KCDA operates as an extension of your purchasing department, governed by the basic laws and regulations that apply to all school districts in Washington. Every dollar spent using our contracts increases our purchasing power and helps us get lower pricing to our member districts. More importantly, you can be assured that our contracts are safe, legal, and compliant.

*Dave Mahalko  
Executive Director*

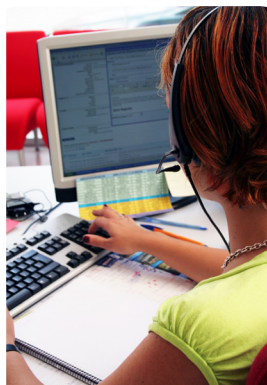

## **KCDA Holidays**

***Thanksgiving - November 25 & 26***

## CUSTOMER SERVICE CORNER

### Checking your KCDA Order Status

To check the status of an online cart, select the “Cart Manager” tab on the KCDA homepage.

Under “Refine Your Results”, click on “ All Carts”.

#### Cart Status:

- Active/Open - Your order has not been checked out. Check out when ready.
- Pending L1, L2, or L3 Approval - Your cart is in process within your School/District.
- Pending KCDA Approval - Your order is transferring to KCDA.
- Open - KCDA has received your order, it has not shipped.
- Completed - Your order shipped complete.

If you have any questions regarding the status or any concerns about your order, contact KCDA customer service at 1-800-422-5019, or [customerservice@kcda.org](mailto:customerservice@kcda.org). We are available Monday through Thursday 7:30am to 4:30pm, and Friday 8am to 4:30pm.

### District Changes

Remember to let KCDA know when you have a personnel change, new schools, moved schools, email changes within your district. Keeping this information current will make sure that your orders are processed correctly and delivered without delays.

#### Here are 4 ways accounts can be updated:

1. Login to update your account at [www.kcda.org](http://www.kcda.org), click on “My Profile” in the orange task box or drop down box with “Hi (your name)”.

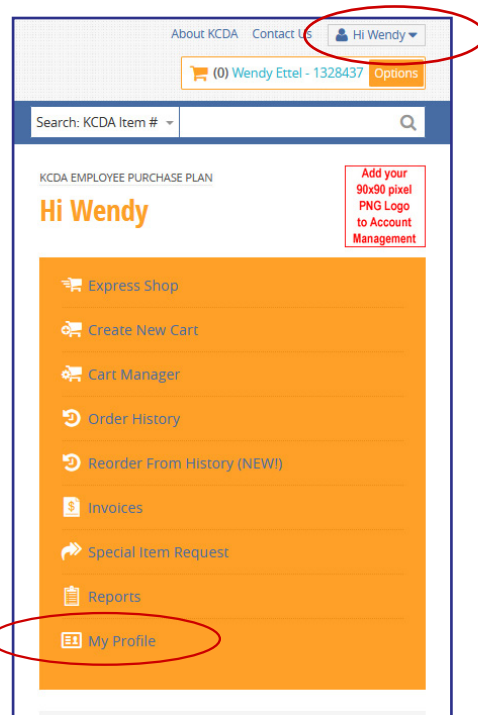

- Update Contact Information: Name, Title, Phone Number or Email Address.
- Change Account Passwords.
- Add a new Ship To Location.

2. New Personnel can create a new account on-line for the User Manager’s approval.

3. Contact your District’s “User Manager” to update your account.

4. Contact KCDA to update your account.

If you have any questions, please contact our Customer Service Department at 1-800-422-5019, or by emailing to [customerservice@kcda.org](mailto:customerservice@kcda.org).

### No Fault Returns

No fault returns apply only to items shipped from our warehouse. Members must notify KCDA within 20 business days of receiving the order. In order to receive credit, returned merchandise must be in new condition, original packaging and as a complete unit. All returns must have the return authorization number noted on the outside of the carton. Once issued, the return authorization is valid for 20 days. Items returned after the 20 business day period may be assessed a restocking fee. When requesting return authorization or reporting any discrepancies, please include the following information:

- Purchase order number.
- District name and ship-to location.
- KCDA invoice number/order number/cart number.
- KCDA item number and item description.
- Quantity (units)
- Reason for the return or details of the discrepancy.
- Contact name, e-mail, and phone number of the person requesting the RMA.

Return forms are located on our website, [www.kcda.org](http://www.kcda.org), found on the “Support” tab, click on “Returns (RMA) and Discrepancies”. We offer an online submission form or printable pdf form.

All sales of COVID-19 related products are final and not returnable to vendor. Washington prices listed include delivery. Delivered prices to the San Juan Islands and other States may be slightly higher. For all current pricing, please visit [www.kcda.org](http://www.kcda.org). All KCDA prices are subject to change without notice.

## FROM OUR MARKETING DEPARTMENT

### The Global Supply Chain

The global supply chain continues to be a challenge for organizations like KCDA that are in the business of sourcing and distributing consumer products. Like other distributors, KCDA has been experiencing product issues and supply challenges ranging from rising prices, a shortage of manpower, ships, trains and trucks to bring us our products, all of which will likely continue into 2022.

When COVID-19 hit in February and March of 2020 many companies slashed inventories and canceled their production and pending orders. Then this Spring 2021, when Covid vaccines went into wide distribution, the demand for goods and services came roaring back and these same companies were suddenly overwhelmed with orders that they could not fill.

This sudden collision of surging demand and reduced supply has sent raw materials prices soaring. To compound rising prices getting products onto container ships has proven to be hard and expensive and ports where much of our overseas product land (such as Seattle) have struggled to process incoming cargo. This resulting supply chain breakdown has paralyzed many businesses.

Fortunately KCDA Purchasing has been up to the challenge! We have cast a wide net across a variety of suppliers in order to source and stock the types of products that regularly used by our members. While some of the brand names and pack sizes may have changed, KCDA is doing all we can to ensure we have products on hand to fulfill our members incoming orders. Hopefully over the next several months these kinks in the supply chain will be straightened out and our regular product flow will return to normal. In the interim, we appreciate your understanding and patience as this situation works to resolve itself.

*Dane Hewitt  
Director of Marketing*

## KCDA'S NEW AND UPDATED CONTRACTS

For more than 80 years, KCDA has been a leader in providing centralized procurement services. Every dollar spent using our contracts increases our purchasing power and helps us get lower pricing. We are governed by the basic laws and regulations that apply to our members so you can be assured that our contracts are safe, legal, and compliant.

## FROM OUR PURCHASING DEPARTMENT

### KCDA Compliant Bids and Contracts

KCDA manages 100 contract categories including school supplies and public works construction, and in the 3rd Quarter 2021, we've awarded and extended following bids successfully.

#21-296, Early Childhood Supplies and Furniture  
#18-418, ADA/IBC Compliant Maintenance Steps and Ramps  
#20-371, Calculators  
#19-280, HVAC Maintenance  
#22-370, Calendars (Academic and Annual)  
#20-261, Maintenance Machines  
#AEPA 021.5B, Disaster Recovery

It's KCDA's main goal to conduct public bidding for those contract categories and we strive to find the lowest, responsible, responsive bidders for the best interest of our customers.

Last and this year, KCDA Purchasing has been experiencing unprecedented supply chain disruptions and I am expecting that this will continue.

Raw material prices are going up every week and it includes resin, zinc, plastic, aluminum, metal, pulp, etc. Almost all commodities for KCDA product and service.

International freight cost is going up too mainly due to container price increase. It was about \$8,000 for a 40' container from China to the US last year and is now \$17,000.

Also many KCDA vendors are facing labor cost increase, plus, it's difficult to recruit workers.

Against all cost increase attempt, KCDA does our due diligence in requesting manufacturer justification letters before we approve/disapprove. We also scrutinize the report to ensure raw material increase % matches actual product price increase %, and we negotiate if needed. We will continue this responsibility to protect KCDA customers.

All in all, new school season started and we are excited about working with school staffs and buyers again. KCDA Purchasing is striving to secure the enough amount of high quality product for your school district and you can reach out to KCDA anytime should you have any questions/suggestions.
