Procurement Services That Save You Time and Money

Director's Corner

The people behind the scenes at KCDA ...

As Executive Director, I remind myself each day that it takes a dedicated team of people to ensure that we provide superior service, value, and the lowest procurement costs for our members. While our Management Team and Field Representatives are the faces of KCDA ... the real action happens behind the scenes from ordering, purchasing, and inventory control to invoicing, shipping, and paying bills. It takes a real commitment and a herculean effort from the people behind the scenes at KCDA ...

- Our Purchasing Team of Karri, Karl, Julie, Janice, Rich, Minsoon, and Carmen advertise, evaluate, award, and manage over 110 bids annually while Debbie, Chao and Mark issue purchase orders, update pricing, and manage delivery of over 15,000 items for the warehouse.
- Our Customer Service Team of Pennie, Pauline, Etta, and Lima handle over 25,000 phone calls and process 8,000 orders annually while Wendy updates our website and ensures our awarded contracts are up-to-date, accurate, and accessible by our members.
- Our IT Team of Dustin and Bert are on call 24/7 to ensure that our servers and eCommerce system are running efficiently and able to process the 60,000 orders each year on the website.
- Our Warehouse Team of Tony, Eric, Ryan, Connie, Val, John, Lori, Mark, Steve, Donnie, and Kody pick, pack, and ship over 700,000 lines and 20,000,000 pounds annually.
- Our Administration Team of Tracy, Shalena, Van, Stephanie, and Karen process over 100,000 invoices, 15,000 freight bills, and 4,000 vouchers annually.

Without these departments working together, KCDA could not attain the high level of service that our members expect. On behalf of our members, vendors, and board, I thank you for all the work you do!

For more than 80 years, KCDA has been a leader in providing centralized procurement services to our member school districts. KCDA helps districts focus their resources in the classrooms by creating volume purchasing and fulfilling bid law requirements. KCDA operates as an extension of your purchasing department, governed by the basic laws and regulations that apply to all school districts in Washington. Every dollar spent using our contracts increases our purchasing power and helps us get lower pricing to our member districts. More importantly, you can be assured that our contracts are safe, legal, and compliant.
