Director's Corner

AEPA sales hit \$610 million in 2020 ...

In 2018, the Association of Educational Purchasing Agencies (AEPA) established a five-year sales goal of \$619 million by 2023. According to AEPA President Tamra Hurst, "We are excited to report that AEPA sales hit \$610 million in 2020!" How did AEPA do it? "Adding three new states in the past four years has provided the horsepower to reach this goal" says Hurst. In addition, AEPA has executed on five key objectives:

- Enhance AEPA's brand image and awareness.
- Develop AEPA member and vendor performance standards.
- Improve communication with AEPA vendor sales teams.
- Use data driven approach to determine new AEPA bid categories.
- Add five new member states to AEPA.

Unlike other national cooperatives, AEPA is comprised of lead agencies that advertise the bids in their respective states and awards the contracts based on state specific legal requirements. AEPA leverages the buying power and expertise of 29 purchasing cooperatives to ensure its contracts are safe, legal, and compliant.

As a founding member of AEPA, KCDA members have access to the best national contracts available for administrative software, athletics, carpeting, copiers, furniture, groundskeeping, lighting, musical instruments, playground, roofing, synthetic turf and track surfaces, scoreboards, and vehicles. Since KCDA is owned by Washington's Public School Districts, every dollar spent using AEPA contracts through KCDA increases our purchasing power and helps us get lower pricing to our members. More importantly, the dollars spent stay in the Northwest instead of ending up in some other part of the country.

The next time you have a choice, remember AEPA ...Nationally Bid, Locally Awarded!

CUSTOMER SERVICE CORNER

Summer Delivery Order

Do you have your start up order for the 2021-2022 school year completed?

Please remember to check your cart out so KCDA can have your order ready to ship on your requested delivery date which is on a first come first served basis. Getting your orders to KCDA early allows our purchasing department to maintain sufficient inventory to cover the needs of every member.

The months of June and July are the best time to receive your start-up orders as the last two weeks of August and the first week of September are the most requested delivery dates. Taking your order early helps alleviate the possibility for delay.

Receiving Your Order

Please check your order when you receive it, verify your carton count against your packing slip. If your packing slip is missing, please call KCDA Customer Service, and we can send you a new copy.

As you receive your order, please check for shortages, overages, or damage, please make notes of any issue on the freight carriers delivery receipt (i.e. Bill of Lading). Please contact KCDA directly so that we can fulfill your order.

KCDA accepts returns at no charge within 20 business days of receipt or by September 30th for Summer deliveries. Returns requested after these deadlines will be charged return freight and a 10% restocking fee. Expired products are not eligible for return. KCDA only considers returns that are supported by KCDA records and paperwork.

Summer Food Orders

Does your school district need food for your summer school program, camp, daycare, or lunchroom? KCDA can provide you with the snacks, water, and basic food staples needed to fulfill your food program requirements.

To locate food on the KCDA website, click on the “Shop” tab, navigate to “Lunchroom” and click on “Food Consumables”. In order for us to provide you with the freshest foods available, KCDA orders food products on a weekly basis from our vendor-partners.

Member’s food orders placed by 10am Tuesday will be shipped to the member on the following Friday. For food orders requested from July 1st to August 15th, please list the requested delivery date, contact name, phone number and email in the KCDA instructions as you create your cart. This will assist us in scheduling your delivery during this summer time period.

Temporary Warehouse Closure

The KCDA Warehouse will be temporarily closed for system upgrades and will not be delivering member orders July 6-9, 2021. This closure will not impact members ability to place orders through our Customer Service Department or on-line at kcda.org, during this time. Orders placed during the July 6-9 time period will ship Monday July 12th when the KCDA Warehouse resumes normal operations.

FROM OUR MARKETING DEPARTMENT

Purchasing in a Post-Pandemic Economy

As the effects of the past year's global pandemic begin to recede and our economy restarts there are a number of significant challenges facing those with purchasing responsibilities for their organizations. Procuring copy paper is a good example. During the peak of last year's pandemic copy paper sales ground to almost a complete halt. Schools were working remotely, as were most businesses, and the demand for white copy paper dropped to a point where the nation's paper mills either shut down or significantly curtailed their production.

One year later schools are reopening and companies are back in business with a sudden and significant demand for copy paper. To coincide with this demand the pulp used to produce white copy paper is also being highly sought after by companies that produce cardboard boxes for the booming E-Commerce trade and for less obvious products like diapers. The result of our economies shut down and restart is rapidly escalating prices resulting from this high demand and low supply. KCDA has already seen three (3) price increases for white copy paper in 2021 and we will not be surprised to receive another price hike this fall.

KCDA is doing everything we can to ensure our members have the supplies they need for the coming school year and we ask your patience as we deal with purchasing challenges. For example, education industry staples such as "Crayola Crayons" are currently in very short supply due to cutbacks in Crayola's production over the last year. KCDA's Purchasing team is utilizing multiple vendor resources to secure member preferred products and to offer alternatives when those products are currently unavailable. We ask for your understanding as we all navigate through our nation's economic restart.

KCDA Vendor Expo: Postponed Until 2022

With the effects of the pandemic creating uncertainty going into this fall, KCDA has made the decision to postpone holding our annual KCDA Vendor Expo until September of 2022. We regret having to postpone hosting our vendor partners and members for this annual event but feel this is the best course of action as our schools and vendors focus on reestablishing regular operations this fall.

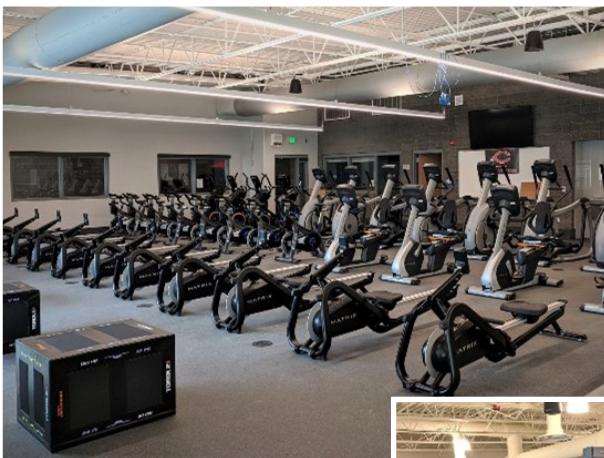

Please watch for our 2022 KCDA Vendor Expo information and announcement which we will post in the spring of 2022!
