

MOBILE HOTSPOT PACKAGE FOR SCHOOLS

The FCC recently announced **The Emergency Connectivity Fund (ECF)** which provides federal funding to equip school buses with mobile hotspots. This allows children to have access to reliable internet away from the school campus.

- *Outfit your bus as a mobile hotspot for students*
- *Students utilize connectivity to send and receive teacher assignments*
- *Provides Wi-Fi for up to 50 students within 200 feet of bus*

Package includes:

- Cellular Modem
- External Antenna
- Data Plan

(Installation Optional)
