

Kalos Desks & Tables

Versatile desks and tables empower educators and learners alike to adapt and thrive in any space.

Student Desks

Collaborative Tables

Mobile

The Kalos Collection, inspired by one of the root words in “kaleidoscope,” celebrates the beauty of possibility and change. Its versatile pieces can be used alone or can be combined into an attractive, functional mosaic of workspaces for groups of any size.

The highly adaptable collection is designed for today’s learning environments, which reject rigidity and embrace diversity in teaching methods, learning styles, and even personal preferences. It empowers you to create the space you need on-demand — maximizing the potential of your classroom, library, or common area.

Height-adjustable legs in extended sizes and ADA-compliant options ensure every learner feels welcome. Plus, a rainbow of appealing colors can match any age group or aesthetic.

Features & Benefits

- Materials stay looking new longer with high-pressure laminates that resist marks, stains, and scratches
- A range of attractive edge band and laminate top colors can match or elevate your space
- Dry-erase work surface options give users more ways to collaborate and ideate
- Optional Chemsurf® tops provide greater durability for STEAM spaces
- Heavy-duty, height-adjustable steel legs in extended sizes can be tailored to users pre-K to adult
- Enjoy quick and easy assembly with factory-installed Quick Mount Plates
- Maximize flexibility with optional 360° swivel locking casters
- Keep learning spaces organized and promote personal responsibility with optional storage like the Backpack Hook, metal Desk Book Box, or Tote Tray & Holder (sold separately)
- Single or dual monitor mounts (sold separately) help create a central media space for sharing instructional content and videos
- Optional 3- and 4-device charging available on Rectangle, Round, and Media tables
