

The EdTech Edge

Empowering the K-12 IT Journey

As K-12 schools continue to navigate the evolving landscape of education—balancing remote, hybrid, and in-person learning—having access to the right technology and support is more important than ever. With the SHI AEPA Contract, your school district can efficiently source secure, innovative technology solutions and expert services designed to meet current challenges and prepare for the future. Leverage the power of SHI's AEPA Contract to solve what's next for your IT needs. Discover how you can streamline procurement, optimize your technology infrastructure, and empower students and teachers with the tools they need to succeed—wherever learning happens.

Contract Name: AEPA #025 – Purchasing Category F:
Cyber Security & Training Services
Contract #: AEPA #025 – F/
Expiration Date: June 2029
