Frequently Asked Questions:

- Are related services eligible?
Yes, hardware and up to 12 months of service are eligible (i.e. data plans)
- How do CIPA (Children's Internet Protection Act) laws impact ECF?
The CIPA requirements will apply.
- Does my organization still qualify if we previously received support? (ESSER/ CARES/ECF)
The FCC will not provide support for eligible equipment and services that have already been reimbursed through other federal pandemic relief program. However, you can apply for new solutions using this third filing window of ECF.
- How long do I need to keep my records for purchases?
A minimum of 10 years.

Kajeet Solutions Covered Under ECF

Kajeet's suite of Education Broadband™ services and connected devices are 100% reimbursable through ECF. All hardware, including chromebooks, laptops, routers and Wi-Fi hotspots, are provisioned on its connectivity management platform, Sentinel. As a complete solution, Sentinel enables administrators to easily monitor and control data allocations across multiple carriers, track how devices are used, and filter content as needed.
