Over 35 years ago SBI was founded by two entrepreneurs with a dream and a promise to provide the Pacific Northwest the best quality educational furnishings available, coupled with unparalleled service. This was a promise made to themselves, their families, and to their customers. This promise of high-quality products and industry leading service still resonates at SBI today.

We provide furniture and services designed to transform ordinary educational spaces into enhanced learning environments that are flexible, functional, and engaging.

At SBI, our mission is to be the go-to resource for turn-key solutions in educational spaces. Whether for classrooms, commons spaces, administration or other special use rooms, we offer the highest quality furniture and equipment to meet every space's plan and budget.

To every project we undertake, we bring a thorough understanding of the effects of good environmental design on learning and working spaces, and we share these best practices with our customers. Together with our seamlessly integrated sales, ordering, and installation processes, this collaborative approach helps ensure the success and value of every project we complete.
