

Lakeshore[®]
FURNITURE

Flex-Space

K-12 Furniture for
Today's Learning Spaces

Designed by Educators

Flex-Space furniture is specifically made to support the academic and social needs of every grade level—from younger students just beginning their learning journey to older students preparing for college and careers. With mobile desks, tables and storage units, plus a wide range of flexible seating options, Flex-Space allows teachers to fluidly reconfigure spaces throughout the day—promoting critical thinking, collaboration, communication and creativity.

- Early Elementary
- Middle School
- Upper Elementary
- High School

Quickly transition from independent to collaborative learning!

Our mobile desks and tables configure multiple ways to support a broad array of learning activities, and rugged, free-rolling casters transport furniture with ease to instantly rearrange your space.

Design, Delivery & Installation by Lakeshore

1

Meet with Our Experts

Show us your space, and we'll make it happen—on time and on budget.

2

Design Your Space

We use an education lens to create 3-D layouts to assist with planning.

3

White-Glove Installation

You can relax while we deliver, unload, assemble and set up everything.

See your room designs come alive in 3-D!

White-Glove Service & Fast Delivery

On delivery day, just sit back while we take care of every detail—providing unbeatable service from start to finish. And with two national distribution centers serving the eastern & western U.S., we can provide fast shipping anywhere in the country!

Contact Us to Get Started Today!

(800) 421-5354 LakeshoreLearning.com/classroom

Design, Delivery & Installation by Lakeshore is provided for orders of \$20,000 or more that ship to a single location in the contiguous United States. Depending on delivery location, additional charges may apply.

K-2nd Grade Classroom

Reimagine the traditional classroom.

Designed for an early elementary classroom, this space has group tables that invite communication & collaboration, plus cozy areas that support daily activities like read-alouds & teacher-led instruction.

K-2nd Grade Classroom Floor Plan

3rd-5th Grade Classroom

Because every student learns differently.

To support individual learning styles while encouraging movement & collaboration, this classroom emphasizes maximum versatility—with mobile & standing desks, plus lots of flexible seating options.

3rd-5th Grade Classroom Floor Plan

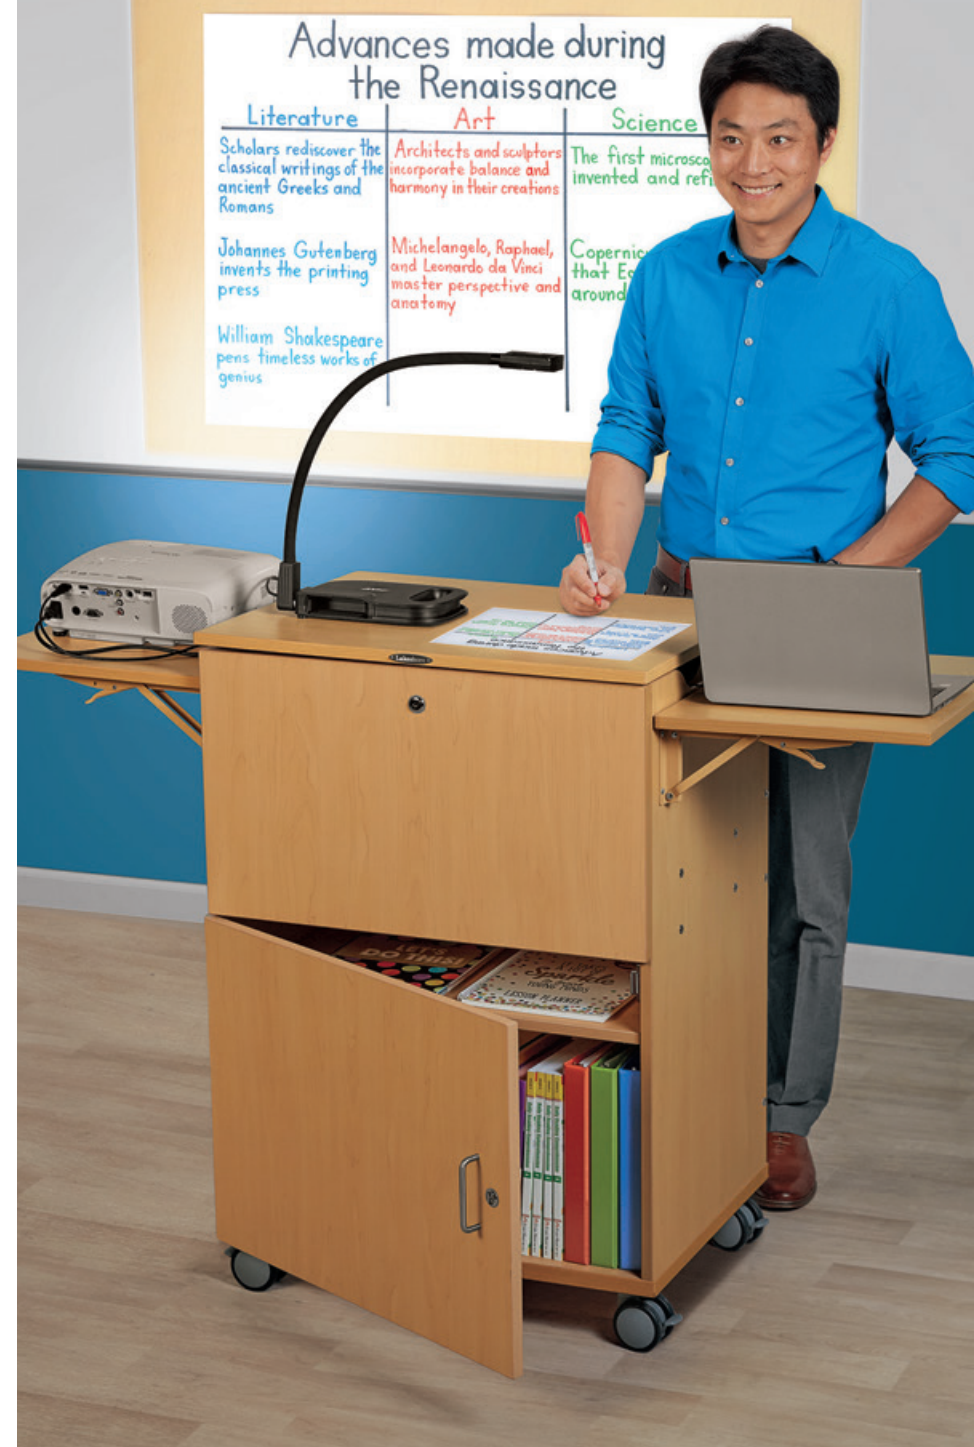

6th-8th Grade Classroom

A sophisticated space to meet the needs of older students.

This modern classroom supports the advanced learning of middle school students—with independent & group workstations that invite critical thinking and in-depth discussions & projects.

6th-8th Grade Classroom Floor Plan

9th-12th Grade Classroom

Next-generation learning to prepare for the future.

This versatile classroom can be organized for teacher-led instruction, then easily reconfigured for group collaboration—as students solve the kinds of real-world problems they'll encounter in college & careers.

9th-12th Grade Classroom Floor Plan

Common Spaces

Centralized hubs that build belonging.

Comfortable, informal common spaces help everyone feel at home, invite people to connect & collaborate, and provide a cozy spot to just hang out.

Common Space Floor Plan

School Library

Yes, libraries can be flexible, too.

Whether they're reading independently or conducting collaborative research, students feel relaxed & focused in this library designed for maximum comfort & flexibility.

School Library Floor Plan

Cafeteria

Elevate the dining experience.

With an inviting atmosphere built right in, this space fosters community & connection and provides the ultimate mobility & flexibility for multipurpose use.

Cafeteria Floor Plan

Staff Lounge

A tranquil retreat for educators & staff.

Designed just for faculty members, this comfy room has a relaxing collaboration area, coffee & dining tables, plus individual spots to focus on work, check email & more.

Staff Lounge Floor Plan

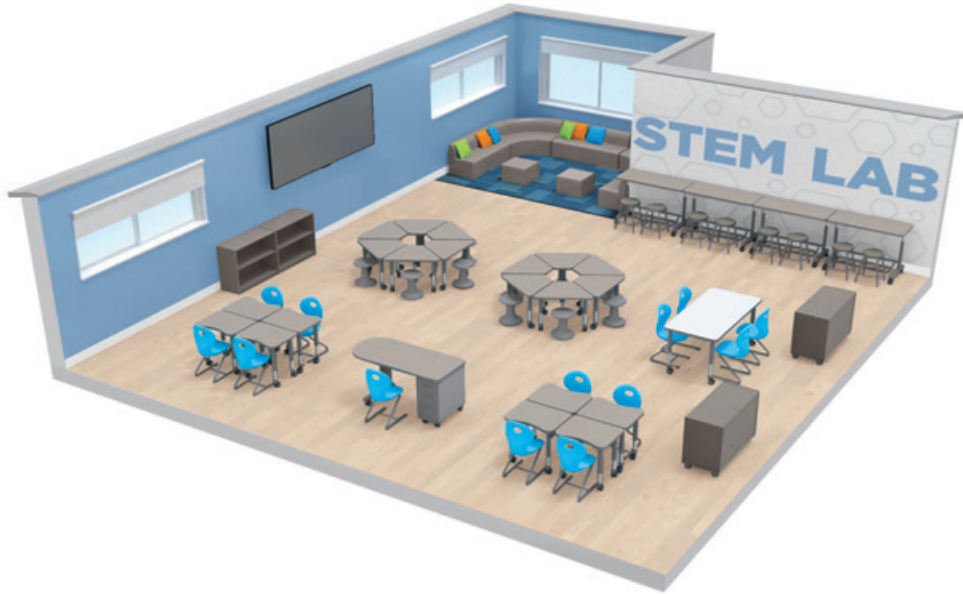

STEM Lab

A place for inquiry, investigation & innovation.

From science experiments to robotics & coding, this flexible lab gives students their very own space to build & collaborate, access technology, view presentations—and easily make room to test their designs!

STEM Lab Floor Plan

Breakout Spaces

Hallways—they're not just for walking.

Make the most of valuable space and set a tone for learning anywhere in the school.
Breakout spaces like hallways offer opportunities to connect & learn.

Breakout Space Floor Plan

Lounge & Learn Modular Seating

Make the most of your space with modular seating that's effortless to arrange and rearrange to meet your classroom's needs. Multipurpose pieces offer endless design possibilities, and there's even a tech-ready table for power. Seats are 14" high.
