

A1 Plastic Crate Dolly

Designed specifically for the Rentacrate A1N Standard Crate and the Pak-N-Stak™ crate and dolly system. 4" rubber casters with a 1 ¼" tread width and a double ball bearing swivel raceway for easy steering and maneuverability. Integrated slide allows movers to easily slide a stack of packed crates onto a dolly if necessary.

A1PLDOL 27.5" x 18.25" x 10.5"

A1N Standard Crate

The A1N is the standard crate versatile enough for all commercial moving applications. Accommodates legal and letter size files and personal office contents.

A1N 24.25" x 15.25" x 12.75" (3 cu. ft.)

C7 Computer Crate

Relocating computer equipment is a part of any office move these days. The C7 Computer Crate is specially designed to accommodate oversized monitors (up to 21") and flat screen displays while allowing all the computer's pieces to be stored together in a single crate.

C7 23.5" x 19.5" x 23.5" (7 cu. ft.)

C7 Computer Crate Dolly

Designed specifically for the smaller base of the Rentacrate C7 Computer Crate, this dolly with 4" rubber casters facilitates the Pak-N-Stak crate and dolly system for computers.

C7DOL 28.25" x 22.25" x 6.5"

Carpeted Dolly

Standard mover's dolly on the West Coast with carpeted runners and 3.5" rubber casters.

CARDOL 32.25" x 19.5" x 6.75"
