

Safety Divider Specs

Panels

- Durable 30-gauge clear vinyl panels.
- Safe & remain flexible, will not shatter, no sharp edges.
- Sits 1" off tabletop. Total height is 17.5" off tabletop, 16.5" panel height.

Clamp

- Easy to install or remove. Single 3/16 hex key included for secure tightening.
- Sturdy 10-gauge powder coated steel clamps with cushion to reduce tabletop scratches.
- Adjustable clamps accommodate tops from 5/8" – 1 1/8" thick.
- Clamp positioning accommodates top dimensions plus or minus 5/8" from 'nominal' size.
- Clamps require 2 1/4" table overhang clearance.

Cleaning

- Easy to clean, with non-abrasive cleaners. Avoid harsh chemicals.
- 1" clearance between tabletop & panel, for ease of table sanitation.
- Allows most tables to be folded while still installed to make floor cleaning easy.
