 - Data Capturing Laser Etching

CLASSROOM COLLABORATION

- Whether it's equipping educators and students with mobile devices or repurposing classrooms to support AV technology, CDW-G is here to help districts find the innovative solutions to entice and challenge young minds.

CDW Blueprint to Design™

- Ubiquitous connectivity has changed the way students learn, and CDW's Blueprint to Design program encourages teachers to reimagine outdated education spaces.
- The program aims to create environments that support classroom technology, along with ergonomic furniture that can be rearranged to enable collaboration and keep students comfortable.

CDW ANALYTICS POWERED BY RELAY

- From devices to applications and websites, Analytics Powered By Relay helps schools optimize their technology use through powerful insights.
- The platform identifies potential security issues and whether districts should scale up or down — and get the most out of their investment.

CDW-G/KCDA

CDW-G and KCDA help educators expand students' potential with innovative tech from over 1,000 leading partners and bring it to you at a competitive price. When you buy from CDW-G you get:
