INVITATION FOR BID

BID #24-130, General Furniture

Due: On or before 2:00 P.M. PST
11/16/2023

ADDENDUM NO. 2

Update on Bid Evaluation and Award

Bid #24-130 General Furniture is open to both dealers/distributors and manufacturers. Bids will be scored on established evaluation criteria. Multiple awards for the same manufacturer product line are possible. A dealer/distributor, manufacturer, or both may become awarded vendors.

Awarded vendors, whether dealers/distributors or manufacturers, are responsible for following proper and agreed upon ordering processes and reporting and submittal of the 2% service fee. Purchase orders will only be sent to awarded vendors. When both the dealer/distributor and manufacturer are awarded vendors, either party may receive the purchase order. Awarded vendors who are dealers/distributors, may receive purchase orders without the need for the manufacturer to be an awarded vendor. Awarded vendors who are manufacturers may subcontract installation, removal, inspection, maintenance, repair, and/or service to unawarded dealers/distributors but remain responsible for order processing and service fees.
